

*Once, there was darkness on the face of the earth. And the people were in chains, mind forg'd chains, chains of the patriarchy. And they did follow the rule. And the sky was darkened and the Mother Earth was silently weeping. And her frustration grew, as she watched her daughters in their suppression. Until she could take it no more. And with her green electricity of wildness threw a line to a piano, a drumkit, a guitar. BEHOLD! I give you THE WAY! BEHOLD! I give you...*

# THE FEMINISTS

*- FIRING UP THE CROWDS SINCE 2010 -*

*„The psychotic cousin of Deep Purple... refreshingly straightforward in its desire to shake hips and get bodies thumping... absolutely mesmerising... the band demonstrates a confident and total control over the audience... electrically delicious, degenerate and dangerous... weapons grade fun‘*

**London City Nights**

*„Wenn Rockmusik mal gefährlich und spaßig zugleich war, sind The Feminists die richtigen, um diesen gefühl, ins 21. Jahrhundert zu transportieren‘*

**Zittz Magazin, Berlin**

*„Jaw dropping, hugely entertaining rock and roll‘*

**Mooseic blog, Cardiff**

*„The best garage band in town, hands down‘*

**Blitzgigs, Berlin**
